Bauman College’s
Donna Kellogg Scholarship Information

“Donna Kellogg could brighten a room just by walking into it.”

As a Nutrition Consultant student at Bauman College, Donna Kellogg dreamt of using her education to help those most in need and provide care to marginalized populations.

Sadly, Donna passed away in the Oakland Ghost Ship fire on December 2, 2016. Collections to provide financial relief for her family began immediately. In an effort to support those who share Donna’s dream and deep love of helping others, her parents made the decision to generously donate those funds to Bauman College to set up a scholarship in her name.

Bauman College is honored to announce the Donna Kellogg Scholarship offered for our Fall 2017 term. Three $3,300 scholarships will be awarded to Nutrition Consultant Training Program applicants who intend to use their education to develop or support a public benefit program, which focuses on rehabilitation, recovery, and/or education; and targets marginalized and/or at-risk populations (e.g., veterans, low income, homeless, disadvantaged youth). Applicants must be residents of the United States.

Financial Considerations
The scholarship will cover approximately 30% of the cost of the classroom-based Nutrition Consultant Training Program, which begins in September 2017 at both Berkeley and Penngrove, CA, locations. The scholarship will cover approximately 40% of the Distance Learning Nutrition Consultant Training Program, which begins on November 1, 2017.

Applicants must be prepared to pay the remaining tuition in full or through a monthly payment plan. The monthly payment plan finance fees will be waived for scholarship recipients. In case of cancellation, any refund will be made based on enrollee’s payments and will not include any portion of scholarship monies awarded.

Participants will be expected to make the following payments, depending upon location and program chosen:

- **Penngrove Classroom**: Fourteen payments of $523.87 due 10/1/17–11/1/18
- **Berkeley Classroom**: Fourteen payments of $524.12 due 10/1/17–11/1/18
- **Distance Learning**: Seventeen payments of $259.36 due 11/1/17–3/1/19
To Apply
Applications for the Donna Kellogg Scholarship must be submitted concurrently with general applications to either the classroom or online distance learning Nutrition Consultant Training Program. Read about the general application process here and call our Admissions office for further details. Please prepare the following documents for the scholarship application (acceptable formats: pdf, doc, docx):

- **Financial Affidavit**: Please complete this form here.

- **Transcripts**: Applicants must upload transcripts displaying previous academic history. (Transcripts submitted as proof of higher education during the general application process may be used here as well.)

- **Action Plan**: Applicants must submit an essay detailing their vision for applying their nutrition education to a public benefit program as described above. Essay should be a maximum of 2 pages, 1-inch margins, 1-1/2 line spaced.

- **Work/Personal History**: Applicants must submit a resume or personal history statement detailing skills and achievements which show aptitude for implementing their action plan.

- **Personal Recommendations**: Applicants must submit two personal recommendations specific to their proposed project. (The same letters can be submitted with the general application to the training program.)

**Submission of Documents**: The school will accept applications from May 1–July 15, 2017.

**Scholarship Deadline**: All materials must be submitted by July 15, 2017.

**Selection of Recipients**: Selection will be based on an overall assessment of application information by a panel of reviewers, including Bauman College staff, board members, and Donna Kellogg family members.

**Notice of Awards**: Recipients of the scholarship award will be announced on August 7, 2017. Students will be notified by mail of scholarship awards or denials.

*Recipients should speak to their tax advisor to determine if the award is tax deductible. Bauman College is not an accredited institution.*
